

Evolution Credit is pleased to announce that its GCR Ratings has upgraded

Evolution Credit is pleased to announce that GCR Ratings has upgraded its national scale primary and special servicer ratings to SQ2(ZA) and SQ2+(ZA) respectively, both with stable outlooks.

When announcing the upgraded ratings GCR commented that the rating upgrades are due to a combination of Evolution Credit's strong collection profile, good ICT and internal controls, as well as a strong management team and an improved financial profile.
