

**Evolution Credit is pleased to announce that it has implemented an aggregate of R195m of funding**

Evolution Credit is pleased to announce the recent implementation of an aggregate of R195m of funding raised from Ashburton, Stanlib, and Taquanta, which will be deployed in its Evolution Finance and Acquired Debt Portfolio businesses in accordance with the respective terms of the funding instruments. We sincerely appreciate the ongoing support of these longstanding partners in the further growth of our business.
